THE BEST QUESTION EVER

Begins April 10th

Sundays 9:20am-10:10am In the Parlors

We've all said it..."How did I get myself into such a mess?" And the next thing we tend to say or think is "If only....." We've all done dumb stuff in our lives. We all have regrets. Yet none of us *plans* to mess up our lives. Why, then, does it keep happening? Life doesn't have to be that way. God's promise and will for us is for something better...to live as a child of the light and not in the darkness of sinful choices and the entanglements they bring. In *The Best Question Ever*, you will discover the question that God would have us ask and three simple truths. First, it can be applied to every situation you find yourself in the rest of your life. Second, its an easy question to answer...in most cases you will know the answer almost immediately. Third, it's an question that pierces the fog of self deception. Join DJ Schult for this insightful study that is life transforming through the power of the Word of God.

THE RESURRECTION OF THE DEAD

9:20-10:10am Sundays In Room 203

8:30-9:30am Wednesdays in the Parlors

Today people question and doubt that Jesus rose from the dead. Surprisingly, some people in the church of Corinth had doubts about the bodily resurrection of Jesus too. In the book of 1 Corinthians, St. Paul addresses this question and the profound implications of its truth for us as Christians. He also sheds light on our future resurrection. In April, this will be the topic in the study of the 15th chapter of the book of 1 Corinthians. Join this study on one of the greatest treasures of the church!!!!
