The Leave a Legacy Benefit Auction to support Trinity Lutheran School will be held on Saturday, November 6th, at the Stoney Creek Inn and it's going to be a BLAST!

Tickets for this inaugural event are NOW ON SALE outside the church office. For only \$45 each, you will receive dinner, dessert, admission to an entertaining live and silent auction. But that's not all—you will receive access to items and services to bid on that you won't find anywhere else in Wausau this year.

What sort of items will be available for bidding? One unique item that we will be offering is a night for one of Trinity's classes to stay overnight at the school with a pizza party and flashlight tag. Wouldn't this make a most excellent Christmas gift to remember?

We are continuing to accept your new, unique items and services to offer during this inaugural event. We are still on the prowl for some Badger football game and basketball game tickets.

Finally, sponsorship opportunities for your local business are now available. We are offering the following sponsorship levels for the Leave a Legacy auction:
