If you can help, please call Phyllis in the school office (848-0166) to find out more and to schedule a time to help.

**NEW BIBLE STUDY—"CORE"** How we accomplish our mission is as important as the mission itself. So what directs us as a church? What drives us? Join Pastor Brandt in the Parlors @ 9:10am on Sunday mornings during the month of August as we dive into the core values that direct us as a church. **“PLANTING, WATERING, GROWING”** The 64th Regular Convention of The Lutheran Church—Missouri Synod is now history. Resolutions were adopted, decisions were made, leaders were elected. At the convention and throughout the Synod, a wide variety of emotions and responses resulted—rejoicing, grieving, praying, and wondering. Affirming that Christ is Lord of His church, brothers and sisters in Christ responded in different ways to the election of a new Synod president. The office of president of a national church body, especially The Lutheran Church—Missouri Synod, is a sacred trust. The president is called to lead the church to internal peace, productivity, and even prosperity, especially in a time of external uncertainty, economic recession, and international conflict. Doing so is not an easy or simple task. I pray the blessing of our gracious God will abide with the new president and vice-presidents-elect, upon whom the mantle of Synod leadership will now be placed. In the New Testament, Paul addresses a church in conflict, experiencing divided loyalty. It was a young church, characterized by partisan, immature behavior. He writes words worthy of consideration, especially at this time in the LCMS: “... For while there is jealousy and strife among you, are you not of the flesh and behaving only in a human way? For when one says, ‘I follow Paul,’ and another, ‘I follow Apollos,’ are you not being merely human? What then is Apollos? What is Paul? Servants through whom you believed ... I planted, Apollos watered, but God gave the growth. So neither he who plants nor he who waters is anything, but only God who gives the growth. According to the grace of God given to me, like a skilled master builder I laid a foundation, and someone else is building upon it. Let each one take care how he builds upon it. For no one can lay a foundation other than that which is laid, which is Jesus Christ” (1Cor.3:3-11). May the peace of our Lord Jesus Christ be with you always!

### **Are you using Scrip?**

Scrip is a term that means "substitute money". When you purchase scrip, you're purchasing negotiable gift certificates and prepaid cards that are used just like cash. You can use scrip to purchase everyday expenses like food, clothing, and other essentials, and with every purchase, you earn revenue for our organization.

### **How scrip generates revenue for you**

The Great Lakes Scrip Center acts on behalf of churches, schools and other non-profit organizations to purchase large amounts of scrip from grocery stores, department stores, and other retailers. Because the scrip is purchased with cash up front, the participating retailers offer a substantial discount. Our organization buys the scrip from Great Lakes Scrip Center at a discount, and re-sells the certificates to families like yours for full face value. The discount - from two to fifteen percent or more - is our organization's revenue.

### **Scrip is "shopping cart fundraising"**

Scrip is a popular fundraiser because families don't have to sell anything. Organization members produce revenue by making regular household purchases they *would make anyway*. Groceries, clothing, toys, gifts, even gasoline can be purchased with scrip.

### **Find Out More**

Ask your scrip coordinator listed below for the latest participating retailer list. Then put your shopping dollars to work for our organization! Great for back to school! Still have questions? Contact Tonya Karow @ 715-204-0219.
