

Confirmation Retreat

September 12-13, 2008

at Camp Luther

Water, water everywhere!

Water is a part of everyday life but you can't live without it. It's all around you and in you. Is it any wonder, then, that God does great things for His people with water? He uses simple water and powerful Words to give you extraordinary things.

We've got to get away to wrap ourselves around all of this, to experience God's water world together. So, get ready to dive into His living water in an experience you can't miss.

Departure Time: Friday, 5:00 p.m. SHARP! (Arrive early so the buses can be loaded & plan to eat supper before we leave)

Return Time: Saturday, 6:00 p.m. (Parents be here to pick up)

OTHER STUFF YOU SHOULD KNOW:

1. This retreat is for the whole group, not just a few. Therefore, you are expected to be present and participate in all activities unless you are excused in advance by a leader.
2. Please listen when others talk, just as you would expect them to listen when you talk.
3. Having fun is good; but disrespect, put-downs, rowdiness and being overly obnoxious are not acceptable.
4. All language and actions are to be God-pleasing at all times.
5. Finally, normal school and camp rules for conduct are enforced. Failure to cooperate may result in further discipline and could lead to being sent home early at the parents expense.

THANKS IN ADVANCE FOR YOUR COOPERATION!
